

Afri-Vit STRESS

RSA Reg. No.: V31551 (Act 36/1947)

ELECTROLYTE AND VITAMIN SUPPLEMENT

DATA
SHEET

USES

Afri-Vit STRESS contains betaine.

- Betaine helps to maintain metabolic functions of cells under different types of osmolaric pressure as is experienced during heat stress.

Signals when poultry are out of their COMFORT ZONE:

- Hyperventilation
- Loss of appetite
- Squatting
- Wing spreading
- Increase in urine excretion

BENEFITS

- It is a concentrated water-soluble electrolyte and can be supplemented into feed or into water over periods of excessive heat.
- Mortality of day-old-chickens can be reduced by offering water fortified with electrolytes to alleviate heat stress.
